

April 16, 2021

Lowell High School Project
Weekly Construction Impact Narrative
For the Week of – 04-19-2021

Current Phase – 1- Building E - Gymnasium Wing

Anticipated impacts for the week starting 04-19-2021 and ending 04-24-2021

- Excavation and soils export will be complete this week – trailer dumps will be entering and exiting from Arcand Drive during agreed upon hours. This will impact Father Morrisette Blvd minimally and details and flagmen will be provided to ensure public safety.
- Structural Steel Erection will be conducted throughout the week. Delivery of Structure will be daily with 2 trailer trucks entering from Father Morrisette Blvd. Police details and flagman will be utilized to prevent traffic issues and protect pedestrian traffic
- Temporary Loading Dock will be active - no disruptions anticipated

Sincerely,
Mike Moore
